There is none more confronting, thought-provoking and absurd than the celebration of darkness that graces the streets of Hobart in the depths of winter. You'll be overwhelmed by this midwinter festival that showcases the dark and ancient winter solstice rituals, and explores the links between ancient and contemporary mythology, light and dark, and humans and nature. Expect an experience like no other. It is hard to miss this unique celebration, as the city of Hobart is lit up and major exhibits are found everywhere. Know that your journey will be seamless from start to finish with everything taken care of, making your Dark Mofo experience phenomenal.

## Day 1: Welcome to Hobart

Welcome to Hobart and to Dark Mofo, this afternoon you will meet your Journey Director and fellow travellers for a **Welcome Reception** at the hotel. You'll then head out into the night and along the docks for a casual pre-dinner drink at the **Hobart Brewing Company** before making your way to **Winter Feast**, a huge banquet and mass celebration of cooking with fire. After dinner, stay on and enjoy meeting mysterious strangers at your table, or venture out and explore the many installations scattered around the city.

## Day 2: Salamanca Market and New Norfolk

This morning your Journey Director will take you on a **walking tour of the historic Hobart docks** before a visit and free time for exploring at the famous **Salamanca Market**. Connect with the local producers and take in the sights, smells and sounds of this vibrant southern capital. Working up a hunger, you'll head to New Norfolk for an indulgent lunch at the **Agrarian Kitchen Eatery**, a unique restaurant housed within the town's historic asylum hospital and borne from a longing to grow and cook authentic local food where the ingredients speak for themselves. After a hearty lunch and some fabulous local wines, delve into this town's dark past when you take a tour of the adjoining former **Willow Court Asylum**. This building predates Port Arthur, and the tour will take you on a journey deep into the dark and complex history of colonial mental health care on the penal isle. The night is free for you to explore at leisure. Take a wander through the festival's affiliated gallery spaces, signposted through central Hobart, to view the many installations along the way, or take this opportunity to experience one or two of the many pre-bookable Dark Mofo events at different venues around the city.

## Day 3: MONA

Today, after a leisurely breakfast, you'll board the MONA ROMA ferry that includes entry into the **Posh Pit** where complimentary canapes and drinks will be

served. Cruise up the Derwent River to the **Museum of New and Old Art (MONA)**, Australia's largest private-funded museum and one of the most controversial private collections of modern art and antiquities in the world. Immerse yourself in the subterranean architecture with a self-guided tour, or if all this adventure is leaving you a little parched, pop into the Cellar Door at **Moorilla Winery** adjoining the museum for a taste of some local wines or Moo Brew! Indulge in a scrumptious **Farewell Dinner** on Hobart's waterfront with unsurpassed views of the city, the docks and Mt Wellington.
